

MEME COMPETITION

NOVEMBER 1-14

Win Prizes!

The Croton-on-Hudson Bicycle-Pedestrian Committee invites all residents to a competition to make the entire village laugh by creating memes that remind everyone to drive carefully and respect one another, regardless of how we are getting around. Prizes will be awarded to winning memes!

HOW DOES IT WORK?

1. Create your meme — text, image or video are allowed. You may use a meme generator such as imgflip.com or others. Keep the language and imagery clean and positive.
2. Send your meme to slowdowncroton@gmail.com with your name and address by November 14. If you are a student, please include your age, and school. (If you are under 13, please have a parent or guardian send it in for you with their permission.)
3. We will post your meme to Instagram with the hashtag #SlowDownCroton and community Facebook pages. Once posted, promote your meme! We reserve the right to reject any meme that we deem inappropriate.
4. Winners will be announced November 22.
